

**Internship Letter of Recommendation**

Date: 12<sup>th</sup> July, 2022

To Whom This May Concern,

Lakshay Dhoundiyal has worked directly under my supervision for the past 3 months, as an Operations Intern at Ayavazhi Technologies Pvt. Ltd. His primary role was to create, edit & moderate content for the app Clan (a proprietary product of Ayavazhi Technologies) as well as to handle content pipelines that led to the content generation. During this time, Lakshay has been a self-starter & productive contributor to the company. He works hard and carries himself in a polite, respectable manner. In addition to having a high degree of integrity, he can both follow instructions and take initiative, as appropriate.

I have no hesitation in advising you to hire Lakshay in whichever role he is deemed fit.

Best,

Vishesh Gupta

Managing Director
